

BIBEK RAWAL

Machine Learning Engineer

Passionate and dedicated Machine Learning enthusiast, willing to work hard and learn new skills to broaden own knowledge as well as benefit the organization.

Skills

- Programming Languages: Python, C, C++
- Machine Learning: Tensorflow, Numpy, Pandas, Matplotlib, Scikit-Learn, OpenCV
- Soft skills: Leadership, Teamwork, Time management, Good communication
- Languages: English, Nepali, Hindi

Education

BSc. Computer Science and IT

- Bhaktapur Multiple Campus (Ongoing)
- Distinction (above 80 %)

Projects

Vegetation Disease Detector (05/2023 - 06/2023).

→Using CNN and image processing of leaves of plants detect the disease affecting the vegetation for treatment.

→<https://bibekrawal.com.np/VDD.html>

Certificates

DeepLearning.AI TensorFlow Developer Specialization (03/2023 - 04/2023)

Structuring Machine Learning Projects (04/2023 - 05/2023)
